EXCESS GAS FROM LANDFILL IN SPARTANBURG COUNTY

Description: Spartanburg County is in the process of developing a landfill gas to energy (LFGE) project at the Wellford Landfill, located at 595 Little Mountain Rd. in Wellford, SC. The County owns & operates the landfill & intends to develop a direct use LFGE project with a local industry. This direct-use project is expected to provide 500 standard cubic feet per minute of LFG via a planned pipeline to the local industry. Based on an evaluation of the LFG recovery potential from the landfill, addi-

tional LFG will be available from the gas collection & control system. Given the potential for excess gas, the County intends to secure an interested party to utilize this excess gas for beneficial use
